

PEDS DIGEST

WEEK OF AUGUST 18, 2025

The mission of NASPGHAN is to be a world leader in research, education, clinical practice and advocacy for Pediatric Gastroenterology, Hepatology and Nutrition in health and disease.

NEWS YOU NEED

Be sure to follow the new NASPGHAN profile on LinkedIn. Search "NASPGHAN" to be connected to your colleagues.

Visit GIKids for new topics, like intussusception, guided imagery for abdominal pain and encopresis.
